It's an amazing feeling when your team just clicks—everyone feels a shared drive toward success. But, how do you ignite that feeling on every team? Capture the spark at your next meeting with Post-it® Super Sticky Easel Pads. Adhesive backed sheets stick and restick to hold up to 2X longer* to most wall surfaces, unlike flip chart paper. The paper resists marker bleed through so you can capture input by writing directly on the sheet. Use with Post-it® Super Sticky Notes to organize ideas. Download the free Post-it® App to instantly capture and save your work so you can share notes with the team without recaps or delays.
