

## TP-Link Tapo Solar-Powered Security Camera Kit

**Brand :** TP-Link

**Product family:** Tapo

**Product code:** Tapo C410 KIT

**Product name :** Solar-Powered Security Camera Kit

1/2.8" Progressive Scan CMOS, f: 3.17 mm, F1.65, 2K 3MP (2304 × 1296 px), MicroSD, 802.11b/g/n, 2.4 GHz Wi-Fi + Solar Panel

TP-Link Tapo Solar-Powered Security Camera Kit. Type: IP security camera, Placement supported: Outdoor, Connectivity technology: Wireless. Mounting type: Ceiling/wall, Product colour: White, Form factor: Bullet. Lens viewing angle, horizontal: 111°, Lens viewing angle, vertical: 56°, Lens viewing angle, diagonal: 125°. Sensor type: CMOS, Optical sensor size: 25.4 / 2.8 mm (1 / 2.8"). Fixed focal length: 3.17 mm

| Performance                        |                                             | Network                           |                                     |
|------------------------------------|---------------------------------------------|-----------------------------------|-------------------------------------|
| Type *                             | IP security camera                          | Works with the Google Assistant   | ✓                                   |
| Placement supported *              | Outdoor                                     | Works with Amazon Alexa           | ✓                                   |
| Connectivity technology *          | Wireless                                    | Live view                         | ✓                                   |
| Wide Dynamic Range (WDR)           | ✓                                           | <b>Storage</b>                    |                                     |
| Virtual assistant                  | Amazon Alexa & Google Assistant             | Built-in HDD *                    | ✗                                   |
| Built-in light                     | ✓                                           | Card reader integrated            | ✓                                   |
| Certification                      | CE, FCC, DOE, CEC, RCM, KC, NCC, BSMI, NTRA | Compatible memory cards           | MicroSD (TransFlash)                |
| <b>Design</b>                      |                                             | Maximum memory card size          | 512 GB                              |
| Form factor *                      | Bullet                                      | <b>Security</b>                   |                                     |
| Mounting type *                    | Ceiling/wall                                | Built-in siren                    | ✓                                   |
| Product colour *                   | White                                       | Siren noise level                 | 94 dB                               |
| International Protection (IP) code | IP65                                        | Video motion detection            | ✓                                   |
| Weatherproof                       | ✓                                           | Security algorithms               | 128-bit AES, SSL/TLS, WPA, WPA2-PSK |
